Explanation of Column Headings to **Schedule of Winning Lotto Texas Jackpot Drawings**

| Column | Heading                        | Description   |
|--------|--------------------------------|---|
| 1      | Draw #                         | The drawing number  |
| 2      | Quick Pick                     | Whether the winner chose a Quick Pick selection for its numbers ("yes") or not ("no")   |
| 3      | CVO or AP                      | Whether the winner chose a 20-year annuity (20AP), Cash Value Option (CVO) or 25-year annuity (25AP)  |
| 4      | Draw Date                      | The draw date   |
| 5      | Claim Date                     | The date the winner claimed the prize   |
| 6      | Amount Paid to Prize Winner    | The amount paid to prize winner   |
| 7      | Winner Name                    | The winner (individual or legal entity) name  |
| 8      | Total Sales                    | The total amount of sales from the drawing(s)   |
| 9      | 6 of 6 Sales                   | The portion of sales for the 6 of 6 Lotto Texas jackpot amount  |
| 10     | % of Total Sales               | [Column 9 divided by Column 8] Lotto Texas jackpot sales as a percentage of total sales   |
| 11     | Amount from Prize Reserve Fund | The amount of supplement coming from the prize reserve fund to purchase or price the annuity  |
| 12     | Cost of Investment             | The cost of the investment or the price to purchase the annuities   |
| 13     | AR or PW                       | The amount if the 6 of 6 lotto jackpot sales amount (column 9) exceeded the cost of the investment (column 12). The "AR" means the amount was Added to the Prize Reserve Fund. The "PW" means the amount was Paid to the Winner.  |
| 14     | Cash Value Option              | If the winner received the cash value option then an amount in this column is shown. Note that it equals the cost of the investment (column 12) which means that the winner was paid the same as the annuity option. Asterisks (**) mean amount was lump sum payment to prize winner. |
| 15     | Annuity Option                 | If the winner chose the annuity option then an amount in this column is shown. See the note in column 14.   |
| 16     | Total Cash Paid out            | The total cash paid out equals column 14 plus column 15.  |
| 17     | Annuity Matures                | The total amount of cash paid to the winner(s) after the annuity matures.   |
| 18     | Advertised Jackpot             | The advertised estimated jackpot amount in millions of dollars.   |
